% dropout			20%	26%	32%				

Notes:

Fall census date for enrollment/cohort data was October 1st through 2017. As of 2018, Fall census is taken on the Monday of the fourth week of Fall classes.

Cohorts include full time, new first time undergraduates only. Cohort adjustment excludes students who are deceased, on military or missionary leave, or withdrawn prior to census.

As of Fall 2016, Kings is excluded.
